

LEARNING FROM THE PAST

This is to invite everyone who have an interest in or work with sustainability and vernacular architecture to a conference on 10th of December 2013 at the Aarhus School of Architecture in the lecture hall called Studsgadeauditoriet.

- 9:15 **Welcome**
Associate professor Lars Nicolai Bock, Aarhus School of Architecture
- 9:30 **Engaging the future - defining vernacular architecture and how to use sustainable principles from the past in future building development**
Dr. Marcel Vellinga, School of Architecture, Oxford Brookes University
- 10:45 **How can vernacular heritage contribute to sustainable architecture? Principles, methods and strategies from vernacular architecture**
Architect, researcher Gilberto Carlos, Escola Superior Gallaecia
- 12:00 Lunch - you can buy your meals from the Aarhus School of Architecture canteen
- 13:00 **Lifelong lifetime – is the precondition for true sustainability**
Research associate professor Søren Vadstrup, The Royal Danish Academy of Fine Arts, Schools of Architecture, Design and Conservation
- 14:00 **Utilizing landscape and climatic conditions in preindustrial settlements**
Associate professor Anne-Grete Andersen, Aarhus School of Architecture
- 15:15 **Sustainability in Danish vernacular heritage - building design, practice and techniques**
Ph.D. student Birgitte Tanderup Eybye, Aarhus School of Architecture
- 16:15 **Concluding debate**

No enrolment is needed to participate
